

The King's School Governors

POLICY TO BE FOLLOWED ON DECIDING ADMISSIONS - 2012

Ethos Statement

The King's School, Tettenhall is an inclusive Voluntary Aided Church of England comprehensive school, to which the Governors admit children and families from all faiths and backgrounds and those of no faith, without reference to ability or aptitude. Making application to The King's CE School means applying for a place at a Church of England School which offers a distinctive Church of England character and ethos, reflecting the teachings of Jesus Christ and Christian values. The School has a welcoming, caring and supportive environment where young people are encouraged to achieve their full potential. We ask all parents applying for a place here to respect our inclusive Christian ethos and its importance to the school community. We expect all students to participate in the worshipping life of the school.

There are no fees or charges related to the admission to the school and contributions to school funds or to off-site visits are not mandatory.

The Governors will offer 150 places, each academic year, for entry into Year 7 under the following categories

Category A Foundation Places	-40	for practising Church of England families
Category B Governors Places	-30	for practising members of other recognised Christian denominations
Category C Faith Community Places	-20	for practising members of other recognised world religions
Category D Open Places	-60	for the community, irrespective of faith commitment

To fully meet the criteria, applicants for a place under Category A, B, or C must show in Question 5 on the Supporting Information Form, the family commitment to their place of worship.

Admissions Criteria

In accordance with the 'School Admissions; Code of Practice' which came into force in February 2010, Governors will offer places to children in receipt of a Statement of Special Educational Needs, where The King's School is named in the schedule. This will reduce the number of places available to non-statemented children.

If more than 150 applications are received, places will be allocated in accordance with the following categories.

CATEGORY A - Foundation Places

Up to 40 places will be offered to children of practising Church of England families.

Written evidence of the family's commitment to its place of worship and Clergy reference will be required at the time of application.

CATEGORY B - Governors' Places

Up to 30 places will be offered to children of practising Christian families of a denomination other than Church of England.

Written evidence of the family's commitment to its place of worship and Clergy reference will be required at the time of application.

CATEGORY C - Faith Community Places

Up to 20 places will be offered to children of families who are actively involved in the worshipping life and work of any recognised faith community.

Written evidence of the family's commitment to its place of worship and Clergy reference will be required at the time of application.

CATEGORY D - Open Places

60 places will be offered to children of families of any faith or none whose parents seek an education based on the Christian ethos.

Fraudulent or Misleading applications for admission to schools

The school will follow up any reports they receive that allege that a fraudulent or misleading application has been made.

Oversubscription Clauses – Categories A, B and C

For each category above, if there are more applications, which fully meet each criterion, than there are places available, then places will be allocated according to the following oversubscription criteria. These are stated in order of priority. In the event that two or more applicants have equal rights to a place under an oversubscription clause, then the subsequent oversubscription clause will apply. See Glossary of Terms for explanations and definitions.

- i. **Looked After Children.** This must be confirmed at the time the application is made.
- ii. Children whose families provide evidence at the time the application is made, of particular educational, social or medical needs that can be met especially well within the caring Christian environment of The King's School.
- iii. The **strength** of the family's commitment to their place of worship as measured by the number of years, frequency of attendance and the involvement in activities associated with that place of worship.
- iv. Children currently attending a Church of England School
- v. Children who, at the time of admission, have a sibling attending the school in September 2012
- vi. The nearness of the home to the school. The distance is measured in a straight line from the threshold of the child's usual place of residence to the school's nearest boundary

If there are more qualifying applications received than places available, all unsuccessful applications under the above categories A B and C will be considered under Category D, Open Places.

If there are fewer qualifying applications received than places available in the above categories, then any unfilled places will become additional Open Places under Category D below.

Oversubscription Clauses – Category D

In the case of oversubscription places will be allocated to families on the basis of the following order of priorities, to children:
