September 2011

Dear Parents and Carers,

We are so fortunate to be starting the school year with the most amazing facilities. Our focus is always on Learning and Teaching and this can only be enhanced by our stunning, new buildings. The students are excited and delighted by what is already completed and we look forward to sharing these and the next phase of the scheme with your sons and daughters.

By visiting us you will be able to appreciate all that we have to offer. We aim for **excellence** and are particularly thrilled with our recent G.C.S.E. and Advanced Level results. Large numbers have gained places at the country's leading universities and we are very proud of them. We pride ourselves on our **care** and on our student-centred approach. We recognise that all we do is enhanced by working in **partnership** with you, the parents. Relationships are second to none. This sets us apart and creates such a special atmosphere.

The Christian values of truth, peace and joy are realised through our curriculum, worship and the daily interaction of the school curriculum. Our new Faith Centre will act as a focus for our Christian community and our respect for all faiths. Recognition of the community's diverse faiths and culture is a real strength and is celebrated at every level.

Moving to secondary school can be a daunting time for both students and parents. We want to put you at ease. Please do not hesitate to get in touch with our Admissions Officer, Karen Tomlinson, who can be contacted on 01902 556843 or by email at ktomlinson@kings-wton.co.uk or ourselves. We will be delighted to hear from you and will do all we can to help.

Yours sincerely

John Allin
