4th November 2010

Dear Parent/Carer

Yr 11 Parents/Carers Study Skills and Exam Revision Meeting

I am sure you will be pleased to know that your child is taking part in a morning of study skills and exam revision practice on Thursday, 18th November 2010, as part of our school's Year 11 Study and Exam Preparation Programme. Professional trainers will be coming into the school to lead sessions for our Year 11 students on how to organise their study and revision.

With this in mind, we have arranged for one of the trainers to give a short informal talk to Parents and Carers, starting at 7.00 pm in the evening. They will advise on what parents can do to help their child study effectively.

Also during the evening you will receive a free pack of high quality resources, to help you support your child during this demanding period.

The meeting will be held on **Thursday 18th November, starting at 7.00 p.m. ending about 8.00p.m.**

I am sure you will wish to attend this meeting, if only for part of the time. To help us plan numbers, please return the slip below to your child's Form Tutor.

I look forward to seeing you on the 18th November.

Lucy Foster
Year 11 Guidance and Progress Co-ordinator

Student Name.....Tutor
Group.....

I will/will not be able to come to the Yr 11 Parents/Carers **"Preparing For Exams"** Talk on Thursday 18th November at 7.00.

Signed.....

A Specialist Visual Arts & Sports College
